### Hollister Police Arrest Two at Marguerite Maze Middle School

HOLLISTER, CALIFORNIA – *February 5, 2010* – On Wednesday, February 3, 2010 Hollister Police officers responded to a report of a male subject trying to get a female student from Marguerite Maze School into his vehicle. This incident was reported to have occurred at approximately 7:30 a.m.

The student reported she was walking on Memorial Drive near Sunnyslope Elementary School. She said that a tan Dodge with black pin stripes and tinted windows approached her. The driver of the vehicle pulled up next to her and rolled down the window, asking her if she wanted a ride. When the student declined, the driver told her to “get in” the car. The student saw a friend walking nearby and yelled out to call the police. The vehicle sped away, westbound on Hillcrest Road. The driver was described as possibly a Hispanic male having dark hair and a beard.

While patrolling Marguerite Maze Middle School on Thursday, February 4, Hollister Police Officer Carlos Rodriguez, the School Beat Officer, saw three adult males walking on school grounds. Officer Rodriguez contacted the men and determining they had no business on campus, detained them. After further investigation, Officer Rodriguez arrested Lee Allan Kuck, 32, for possession of marijuana on a school campus, disruptive presence on a school campus and violation of probation. Officer Rodriguez also arrested 36-year-old Jeffrey Kievlan for possession of marijuana on a school campus, and for a warrant. Both men are Hollister residents. They were booked into the San Benito County Jail.

Officer Rodriguez is conducting further investigation to determine any connections the men may have to the January 22 and February 3 incidents in which a man contacted girls walking home from school.

Anyone with information regarding this incident is requested to contact Officer Carlos Rodriguez at 636-4330. Persons wishing to remain anonymous may call **WeTIP** at **(800) 78-CRIME**.
